**Re: Union Pacific Railroad Company – Abandonment Exemption – In  
Whittier Junction-Colima Junction Line – In Los Angeles County, CA,  
AB-33 (Sub-No. 93X)**

Dear Secretary Williams:

In connection with the decision of the Board having a service date of July 21, 2006, in the above referenced matter, please be advised that the Union Pacific Railroad Company ("UP") is of the opinion that no notice of consummation should be filed with the Board with respect to the extra-width parcels that will be removed from the interim trail use arrangement with the City of Whittier as of July 31, 2006, because such extra-width property is not necessary for re-establishing the line extending generally between Whittier and Colima (the "Rail Line") for rail service if the need ever arises. These small, extra-width parcels have been transferred to the City of Whittier under the interim trails use agreement executed in 2001 and do not disrupt the continuity of the Rail Line.

Enclosed is an original and ten copies of this filing for the Board's use and distribution.

Very truly yours,

Mack H. Shumate, Jr.  
Senior General Attorney
